If you got into this religion cause of Danny Masterson, to appease him so he would love you more or you were afraid you would lose him to a scientologist, then it would be easy for you to walk away. But if this religion, if you chose this religion on your own determinism

people within that faith they trusted committed crimes on them? Like the survivors of sexual abuse and pedafila committed by catholic priests, are they all no longer catholics cause these crimes were committed on them? As for the cult thing, feel free to read my scilon site,

Cause this religion didn't commit crimes on me, Scientologists and non Scientologists did. This church's management team didn't orchestrate the rapes in Olive View that's Olive View Medical Staff and LAPD, they all figured out the system internally, how to rape people and get

from the hospital, I found out that my blood was taken 24 hours after I was admitted and my urine 48 hours after I was admitted, standard procedure is they take the blood and urine as soon as the person is admitted. I suspect they ran ops and stole it using CCHR's resources

to make a long story short, they had to put me in there, in Nov of 1998 there was a murder indictment coming in from Florida for Lisa Mcpherson's murder against David Miscavige, my thing happened in Aug/Sept of 1998, they wanted me in there so they could steal my blood and urine
